Escape Room Team Building

What is an escape room?

An escape room is a real-life adventure game in which players solve a series of puzzles using clues, hints, and strategy that are hidden within the room. Players are given a set time limit and the goal isn't always escaping. We like to add an additional element to most of our rooms and you must reach a certain goal before escaping. Each goal will depend on the theme of the room.

Escape rooms are inspired by "escape the room" style video games that can easily be found online. Live action rooms started in Japan, crept their way across Europe, and were introduced to the United States a few years ago. We're happy to educate players on how fun an escape room can truly be!

How is this team building?

Escape rooms allow your group members to escape the norm with fun team building exercises that stimulate creative thought, synergy, and efficiency with each other through a myriad of puzzles, hidden clues, and mind games in an experience that will leave everyone energized and inspired. By encouraging teams to rely on each other's individual strengths through unique obstacles and tasks, we provide an environment that brings out the best your team has to offer!

What are my options?

It all depends on the number of people you plan on having. You can always reserve individual rooms but they won't all be able to run at the same time. To get more than two or three rooms to run at the same time, you'll have to reserve The Ultimate Adventure.

Our Ultimate Adventure package is for larger groups. It allows you to rent out our entire facility at a discounted price and allows all the rooms to run at the exact same time. We've outlined it below!

What are your accommodations?

Being in the King of Prussia area allows a slew of accommodations and opportunities abound. The King of Prussia Mall and the King of Prussia Town Center are minutes down the road with many amazing restaurants to choose from!

We've provided a list of some of our favorite local accommodations if you downloaded this!

Individual Rooms (Smaller Groups)

We have four different rooms for you to choose from:
Aunt Edna's Condo, Lucky Dice Diner, Quest for the Throne, and Baker Street Mystery!

Aunt Edna's Condo and Lucky Dice Diner run at the same time and can hold up to 10 people.
Quest for the Throne runs at different times than the rest of the rooms and can hold up to 10 people.
Baker Street Mystery runs at different times than the rest of the rooms and can hold up to 8 people.

**We are \$29.99 (plus a 10% Upper Merion Township Amusement Tax
& an online reservation fee) per person per room.**

We are the only escape room in the area that has all private reservations with only a 2 person minimum!
This means you'll never be in a room with people you don't know. For example, if you book for 4 people,
the 6 other possible spots will not be open to the public to book.

We stay private by requiring a minimum of 2 players (even if you have less than 2, you can always come
with only 1, but still must book the minimum of 2.

Reservations can always be made right online through our website, www.expeditionescape.com.

The Ultimate Adventure (Larger Groups)

Rent out our whole venue to hold your private event. This 1 hour and 30 minute adventure is perfect for
corporate team building and group celebrations. Up to 50 guests can participate in one of our four
awesome escape rooms at the same time!

This package shuts down our entire venue for your group which means you can choose any date and time
that you wish (within reasonable operating hours). Please contact us for availability.
